PROFESSIONAL EXPERIENCE

MoMAGIC Technologies Pvt. Ltd. | Content Strategist | Jan 2025 – Present

AdTech | Mobile Technology | Digital Media

- Develop and execute creative-driven content strategies aligned with search intent, audience needs, and business goals.
- Conduct keyword research, competitor analysis, topic clustering, and content-gap analysis to identify scalable content opportunities.
- Create content briefs, editorial guidelines, titles, metadata, and recommendations for writers and editors.
- Analyze content performance and identify opportunities to improve rankings, traffic, CTR, engagement, and discoverability.
- Collaborate with writers, editors, designers, and product teams to deliver scalable content initiatives.
- Helped drive 80% organic CTR traffic through search-led content initiatives.
- Improved content discoverability through structured keyword targeting, topic clusters, and search-intent mapping.

AKVM Solutions Pvt. Ltd. | Travel Content Writer | Dec 2023 – Aug 2024

Travel & Tourism | Digital Media | Content & SEO

- Produced SEO-focused travel articles, destination guides, itineraries, and informative web content.
- Conducted destination, attraction, accommodation, competitor, and travel-trend research to create accurate and engaging content.
- Optimized existing content based on search intent, keyword relevance, readability, and SEO best practices.
- Strategically incorporated relevant keywords into titles, headings, and body content to improve search visibility.
- Collaborated with marketing, design, and product teams to align content with business objectives.
- Monitored competitor content strategies to identify content gaps and opportunities for improvement.

UOLO EDTECH Pvt. LTD. | Educational Content Writer | Jul 2023 – Dec 2023

EdTech | Education Technology

- Created educational materials tailored to K-12 students across diverse learning needs and educational systems.
- Developed accessible learning content for students from varied socio-economic backgrounds.
- Integrated interactive elements, learning modules, modern teaching methods, and technology into educational content.
- Worked with Google Workspace, Microsoft Office, Canva, CMS platforms, and online research tools.

SELECTED ACHIEVEMENTS

- Published 500+ articles across education, travel, lifestyle, and digital content environments.
- Helped improve organic rankings and content discoverability through SEO-focused optimization and structured keyword targeting.
- Created and implemented content strategy initiatives for the current organization.
- Managed content teams and trained junior writers on content quality, SEO, and editorial requirements.
- Successfully handled large-scale content projects with cross-functional stakeholders.
- Contributed to organic traffic growth, SEO-driven content performance, ranking improvements, and audience engagement.
